Hundreds of Students Equipped and Resourced Through MOTMOT

Eastern Bible College held its launching ceremony on March 11, 2006. Eleven more students are now being equipped and resourced for the work of the ministry!

Evangelical College of Theology & Missions has fourteen students. They are thoroughly enjoying the teaching and training in MOTMOT.

Frontiers Bible Training School located in Wa, Upper West Region, has twenty-two students; nine are pastoring churches in rural areas while the others are assisting pastors. Through this vital training, the students' knowledge of Scripture, leadership principles, and confidence in handling the Word of God has improved significantly. Frontiers is focused on

evangelizing two of the "least reached" people groups in Ghana: the Lobi and Wala people. They are experiencing tremendous results as the students plant new churches and preach the gospel throughout the region!

Crusades for Christ Bible Institute has twenty-two committed students, eager to grow in the knowledge of Christ. They will hold their second graduation this December!

There are now fifty-five churches/ministries who have affiliated with AABS! Our goal in 2006 is to have 100 Church-based Bible Schools.

Do you have other pastor friends who would like to hear about AABS?! Please inform them that they, too, can be a part of this vital ministry!
